

OLENA EYSMONT

UI/UX Designer

I am a UI/UX designer with a great passion for art and technology. My journey started in the world of creativity and computers and since then it has been constantly fascinating me.

I began my education in UI/UX design from studying HTML, CSS, and graphic software. I have got the best mentors in this sphere, and I aspire to achieve excellence.

My story as a UI/UX designer is the story of continuous professional self improvement. I am ready to bring inspiration and beauty to the virtual world.
